EPFL

# "WE DON'T ONLY RENT A ROOM, WE GIVE YOU THE KEYS OF THE SUCCESS OF YOUR EVENT WHATEVER ITS FORM"

JULIANNE JAMMERS, MANAGING DIRECTOR

## YOUR CENTER
## SWISSTECH CONVENTION CENTER

Since our opening in 2014, our experienced team has managed over 1,000 events of all sizes and formats. For several months, we have accompanied dozens of organizers to reinvent their events in a hybrid or virtual way.

## YOUR DIGITAL PLATFORM
## AUDITORIUM D

Live.stcc.ch is our new digital hosting space. It is a complementary element in the organization of a hybrid event but it becomes essential in the context of a 100% virtual event.

### ADVANTAGES OF USING THE AUDITORIUM D

- Online platform with streaming integration
- Details & branding of the event are integrated into it
- Insertion of modules that guarantee the interactivity of the event
- Secure area with a specific link and access code

# VIRTUAL EVENTS - STREAMING

## BETTER THAN A TV STUDIO

Opt for the comfort of the SwissTech Convention Center, so that you can choose from a variety of spaces and stages. In 2020, the latest generation cameras and a new ultra-fast fiber optic network were installed throughout the building, thus ensuring the quality and stability of your video streaming is provided. The quality of the audiovisual material worthy of a TV studio is an undeniable asset.

Last but not least the supervision of your event by our experienced Event Managers will guarantee the success of your project
