

CAMPUS (COMPLETE)

CAMPUS LEVEL

LEVERAGING ENERGY

This vast, modern, bright space is unrivaled - its architecture, 16m-high ceiling and glass walls make it a unique place. The west facade, consisting of Grätzel solar cells, creates an unparalleled atmosphere by their warm colors and their copper shadows.

The Campus Lobby is a very nice place to welcome, register guests as well as networking or catering area of **1302 m²**.
